

If you are bored of doing the same tasks day after day, but are smart enough to optimize ways and find independent solutions for varied projects, then you are exactly right with us! In an open and motivated team, we offer you all the prerequisites for your professional success. Apply and start your career in an established company with a solid customer base.

We are looking for **YOU** to strengthen our team as

Project manager (m/f/d)

What we offer

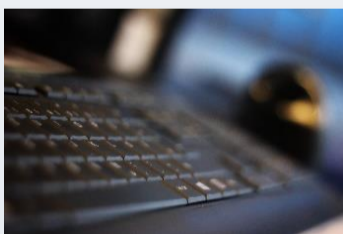

- work-life-balance with flexible working times
- office life with modern workstations and home office
- a friendly, familiar working atmosphere
- exciting tasks in an appealing working environment with motivated and helpful colleagues
- teamwork with flat hierarchies
- attractive remuneration
- an expandable career entry opportunity for graduates
- development opportunities and supported further training
- opportunity for a taster day to get to know the job and new colleagues
- provision of hot and cold drinks
- various discounts with our partners
- possibilities to organize breaks
- team-events

Your profile

- you have a successfully completed business or technical degree (ideally business informatics, industrial engineering or similar)
- a routine handling of MS office is self-evident for you
- agile project management, JIRA and Confluence are not foreign words for you
- you have a confident, convincing appearance and the ability to assert yourself
- a very structured, result-oriented and motivated way of working as well as strong team and communication skills characterize you

Your tasks

- you are responsible for planning project performance, deadlines, project milestones and resources
- you are responsible for implementation, control and steering – you supervise deadlines, quality as well as performance / project progress and initiate corrective actions
- you supervise and coordinate IT-project-teams
- you are the interface between business and IT as well as the contact person for our customers
- you manage reporting and project documentation

Have we made you curious?

Then **apply now** and join our team!
